

From Coach Whitaker...

Dear Don,

Just a note to express my appreciation to the CW Class of 63 for the invitation to attend your 50th Class Reunion. The committee did an excellent job. It was obvious that Barb Fennell Davis was an exceptionally hard worker for your class. I was touched by the special effort many members of your class of '63 made to stop by our table and say hello. Also, it was nice to visit with fellow staff members Stan Blum, Jim Eby and their spouses. I confer with the assessment of many that CW was a wonderful school in its day and that your class is an important part of the fine CW legacy. Lastly, your Class of '63 "hit it out of the park" by inviting your classmate Dick McCoppin to make his excellent Reunion presentation. My recollection of Dick was as a somewhat quiet, if not shy, CW student. Somehow I felt a special friendship with Dick, maybe he was a "gym aide" or maybe he just "hung out " at times in the gym area. Whatever his CW past, he was excellent at the reunion. What an amazing transformation. He truly merits his "Georgia Toastmaster of the Year Award".

Thanks again for a great evening and "God Bless" the members of the CW Class of 1963.

Fond regards,

Lee Whitaker

From Jo Lynn McNealy...

Hello Don,

Big thank you to you and the whole Reunion Committee for a wonderful reunion! I know this required an enormous amount of time & effort, and it was obviously very thoughtfully done. Wava's slide show of our deceased classmates was perfectly done. Dick McCoppin did a great job and added an extra fun spark to the evening. The photo booth was an amusing addition that we all loved. The class picture is unusual in that everyone's face is visible! Everyone I spoke with raved about how much fun the whole weekend was.

Hoping that you will pass along my thanks to the whole committee. Thanks again.

JoLynn

I want to say thank you to the entire committee for ALL the reunions. They have really meant a lot to me - very special times. I think the older we get, the more we value each other. Thank you also for the web site, I really appreciate it. The reunion was wonderful!! I keep thinking of people. It just gets over so quickly, seems like a dream.

From Alyce Herman...

Don, This is for the entire reunion committee....I want to thank all of you, Bonnie, Jewel, Scott and Barb, Walt, Sam, Jim, Mike, Wava, Jo Anne, you and Linda for all of the work you did to make our 50th reunion unforgettable! Everyone had such a good time and you all were so creative in the planning. Everything was perfect from the beginning to the end. The favors are great and I love showing my husband and kids a picture of my high school. They have always tried to convince me I went to a military school because it was named for a Colonel! The highlight was being able to see old friends!

I had a wonderful evening thanks to all of you...

From Sharon Skolnik...

Dear reunion committee friends,

I can't thank you enough for putting together such a wonderful weekend! I only went to C.W. for 2 years, but considering the hugs, kisses and emotions of this past weekend, that doesn't seem possible! The three days of activities provided time to catch up with so many wonderful people. It truly couldn't have been more perfect. And, Bob Flagel, who has been to LOTS more reunions than we have, has told at least 1,100 people, including our kids, that it was the best reunion he's ever been to!

Love to you all from both of us.

From Karen Decker...

The reunion was just great. Thanks to you and the entire committee. The setting, food, decorations, speaker, everything. It was such fun to talk and laugh and reconnect with classmates I hadn't seen for

years. It was nice just to know that for a few hours we were all bound together in the web of having spent four years together at Colonel White. I know it was hours and hours and hours in getting it all ready. Thank you. It was a really memorable weekend.

From Mike Waggoner...

I again want to thank the reunion committee for all their work on our behalf. It was a reunion to always remember. Seeing everyone brought back such great memories and many laughs. I had so much fun talking with each person. The idea of inviting the faculty and some of the people that graduated elsewhere was just great.

Wava's presentation of our deceased classmates was really nice. It needed to be done and it was done very well. Dick McCoppin was a perfect toastmaster and I enjoyed his presentation. Barbara is the tireless leader of the group and she deserves a pat on the back and a big hug.

I would like to thank everyone who had a hand in the planning of the Friday night bash. Had a good time and was glad to see everyone that I couldn't recognize even with the help of their name tag.

From Eileen Louick...

Thanks to the committee again for everything. A (Fairview) friend heard about Dick's presentation on Saturday night and asked if I knew how to reach him to talk about a presentation at their reunion. Don, do you have his e-mail that I could give her?

Thanks,

Eileen

From Randy Angel...

Thank you Don and all the class members who worked so hard to make the Colonel White High School 50th reunion such a success. Pat and I had a wonderful time Friday and Saturday night. The Friday night food table was a great addition.
